House Cleaning

* Contact: Amy Murphy

Phone: (610) 291-2199

Email: amypancher@comcast.net

Description of Services: I currently provide house-cleaning services to several clients in the area. I previously worked with a professional cleaning company but have since gone out on my own. I bring all of my own supplies and you can decide how often you would need my services each month. For instance, you may wish to have a full-cleaning once or twice a month, or may want to do some partial cleanings throughout the month. I am extremely thorough and you would not be disappointed in the results. I can provide references/feedback if so desired. If interested, please contact me and we can discuss rates, etc. Thank you for your consideration!
