<p>CHRIST – LIKE⁺</p> <p>⁺<i>Shift 2.0</i> by Dr. Phil Maynard</p>	<p>Seeking to make sense of life. Asking: What gives my life purpose, joy, fulfillment? Seek to fulfill these needs in many different ways.</p>	<p>Exploring the life of Jesus; have not yet committed to following Jesus. Exploring by reading the Bible and attending my first Bible study.</p>	<p>Accept the call to follow Jesus; growing to understand and put my newfound faith into practice and commit to the church; excited about my faith and seek to become like Jesus.</p>	<p>Eager to be identified as Christian and going public with my faith. Begin to apply the teachings of Jesus in everyday life. More willing to take responsibility for my deepening relationship with Jesus. Look to Jesus to help me live my life.</p>	<p>Partner with God and invite others to explore the life and teachings of Jesus. Moving toward complete surrender of my life to Jesus. I realize that the role of a disciple is to help make other disciples and live life with that focus.</p>
